VISION

From the modest beginning in 2015, BBIS, Raikot promises excellence in the knowledge and skill endeavours to prepare our students for a successful life.

MISSION

To impart quality education by providing a dynamic learning environment, inculcating universal values and developing a global vision so that each child becomes a life long learner and takes initiative for Global Peace, Harmony and Sound Economy.

ABOUT THE SCHOOL

Intelligence
plus character -
that is the **goal**
of true education.

The school is housed on the Barnala Highway that spreads over the area of 9 acres. The sprawling lush green lawns lined with green shady trees, blooming flowers and grand school building speak volumes about the care being rendered to maintain this picturesque marvel. The entire school ambience is student friendly.

AIMS & OBJECTIVES

To be a school –

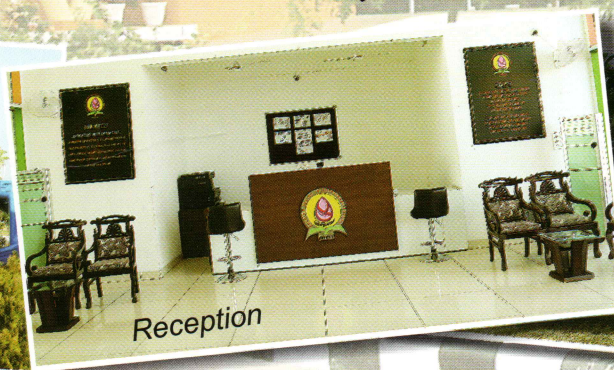

- ⊙ Where learning is enjoyable, exciting and challenging.
- ⊙ Where excellence in the norm and education is seen as a continuous process.
- ⊙ Where students are encouraged to have high and realistic aims.
- ⊙ Where everyone enriches his knowledge and skills.
- ⊙ Where students grow in an intellectual, cultural, social and aesthetic environment.

We make efforts –

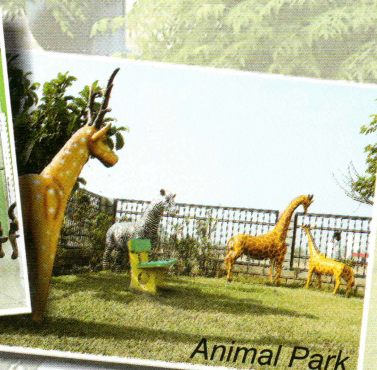

- ⊙ To raise achievement of students in Academics and Sports.
- ⊙ To build a strong relationship with students, parents, teachers and the school management through regular PTMs.
- ⊙ To provide safe and secure, physical and technological environment for all in the school.
- ⊙ To promote moral and ethical values among the students.
- ⊙ To promote globally competitive, high-tech and environment friendly education.

Our **KG Section** strives to widen the horizon of the child's imagination nurture their creativity and trigger the process of productive learning by following the Montessori system.

We believe that every child is gifted in one way or the other, we just need to shed away their hesitation, shyness and polish their unique personality and enhance their exclusive talents in a same way as a gardener takes care of the tender saplings. This is done by providing them a '**PANDORA BOX**' of opportunities so that they can express themselves by participating in events like pool party, quiz, fancy dress, recitation etc. This is done to foster intrigue and interest during the crucial phase of child's life.

English, Punjabi and Hindi are taught to the students with justified attention to all the modules of a Language – Reading, Listening, Speaking and Writing.

Thirst for the knowledge is quenched when students study **Science, IT and Maths** from highly qualified teachers and in well equipped labs.

To make our students morally, culturally and socially literate, **History, Civics, Geography, Art and GK** are taught to them by teachers who work as a Friend, Philosopher and Guide.

All the **important days** of an year and festivals are celebrated by our students with great enthusiasm, which sensitize them to be patriot and secular.

To empower the process of teaching and inspire the process of learning, the school joins hands with the digital world by creating technologically oriented smart classrooms equipped with Interactive digiboard system with a PC connected to the dedicated **Smart Class Knowledge Centre**. This improves teacher's effectiveness and productivity, and brings difficult and abstract concepts into life.

Computer Lab

E-blocks Room

Co-scholastic Activities :

The school has always believed in complimenting the academic component and enhancing the overall educational experience of students through a wide range of **co-scholastic activities** like literary activities, dramatics, art & craft, dance, music, trips & excursions etc.

Library :

Books **feed our souls**. School has maintained a library that is well stocked with books (fiction, non-fiction, poetry, prose, encyclopedias), periodicals, journals, national dailies etc.

Internet Access :

The school's internet access runs as a **controlled system**. School offers protection from inappropriate material through a filtered system providing only safe and curriculum based websites. Students can have an easy access to internet whenever required.

Sports Academy :

School has a vast playground which includes 100m standard track, **football, hockey, kho-kho** and a cemented **basketball court**. Our students are given swimming lessons by a well trained swimming instructor in a **HALF OLYMPIC** sized **swimming pool** that graces the campus, which is in itself a one of a kind in the area. Our **Sports Academy** trains the students in skating, football and basketball from 5:00 pm to 6:30 pm.

Student Council

To develop leadership skills, organisational ability, self-confidence, personality, sense of responsibility and diligence, students have been divided into four houses namely - Discovery House, Harmony House, Legacy House and Unity House. Activities of these houses and other events of the school are headed by a **STUDENT COUNCIL** comprising Head Boy, Head Girl, Secretary, Sports Captain and House Captains.

School Transport :

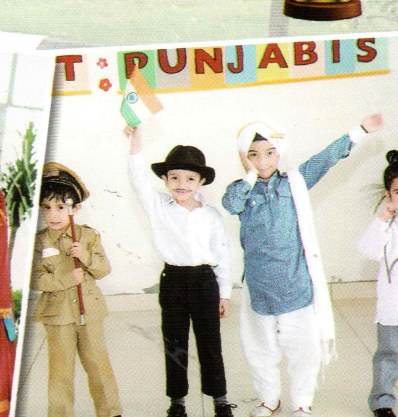

The school has an excellent transport arrangement for students. A fleet of 11 buses are available to cover a number of routes. Trained drivers and a female attendant looks after the safe journey of our students. All the buses have **GPS** and **CCTV** facility.

Medical Facility :

A visiting doctor comes to the school. In case of emergency the child is taken to a renowned hospital of Raikot by a responsible member of staff and parents/guardians are informed immediately.

Children must be **taught** how to think, not what to **think**.

Registration and Admission

- Admission is open to all boys and girls irrespective of caste, creed or social status, provided they are mentally and physically fit, having attained the minimum age of three years.
- Application forms for registration to all classes are available at the school office.
- Entrance tests are held in the month of March. Results are declared according to merit and admissions are made subject to vacancies.
- Name of the child can be registered for admission from Nursery to Class IX. At the time of admission the parents are required to submit to the school, a birth certificate from the Registrar of Birth for admission to Nursery Class. An affidavit will not be accepted, proof of address and school learning certificate.
- Students migrating from other schools must submit Transfer Certificate, School Leaving Certificate and Progress Report from the previous school.
- Registration does not guarantee admission, incomplete forms may be rejected.
- The Principal reserves the right of granting or refusing admission to anyone who seeks admission to school.

Withdrawal

- If a child is withdrawn during the school session, a prior written notice of one month for withdrawal must be given, failing which fee for the said period will be charged.
- Those who plan to leave after the academic session should inform the school in writing by 28th February, failing which fee for one month will be charged.
- Those who submit their applications for withdrawal in March shall have to pay the annual charges and the dues for the month of March.
- Students who are withdrawn from the school in the month of May (before the summer vacations) must pay the fee for the month of June.
- Transfer Certificate will be issued and the security deposit will be released on the clearance of all school dues. Security refund is done within a month of the request.
